

coffeelings

Nicht nur für Kaffee

Kann eine Kaffeetasse kokett sein? *Coffeelings* gibt die Antwort. Der schlanke Körper bringt feinen Milchschaum oder Crema mit Kringeln verlockend zur Geltung. Dabei wirkt der schleifenförmig geschwungene Henkel wie ein Schmuckstück. Elegante Coupteller komplettieren die Kollektion.

Not just for Coffee

Can a coffee cup be flirtatious? *Coffeelings* has the answer. The slim and elegant form brings out the very best of foamed milk or patterns scribed in the crema, while the flowing curves of the ribbon-like handles stand out as gems of design in their own right. The collection is further complemented by elegant coupe plates.

Design: Werksentwurf, 2001

Genussvolle Kaffeemomente

Delightful coffee moments

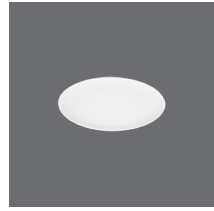

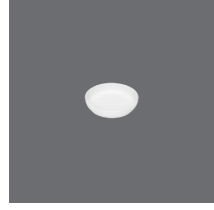

Der kleine Moment, bevor man in den Tag durchstartet – er tut einfach gut. Besonders unterwegs, im Hotel oder im Café. Durch ungewöhnliches Design trägt *Coffeelings* zum wahren Kaffeegenuss bei. Ein leckerer Snack dazu serviert bringt neue Energie.

That brief moment before the day begins in earnest – it simply does you so much good. Particularly when away from home, in a hotel or a café. The unusual design of *Coffeelings* adds to the enjoyment of the true coffee experience. And a delicious snack on the side replenishes lost energy.
